

## Now Available Through Bill Pay\*

- Person to person (P2P) pay has been added to Bill Pay. Send funds to anyone, anywhere, using their email address or mobile number from wherever you are.
- Account to Account (A2A) transfers have been added to Bill Pay. Do you have a secondary account elsewhere? You can now set up to transfer funds to the other financial institution using our Bill Pay system without making a special trip to do so!

- Enhanced Billing- Some creditors can send your bills directly to Bill Pay, where you can view and pay without touching a single piece of paper. You can even set it up so you receive an email when a new bill has been received.
- Expedited payments- Payments will now be sent and received via ACH when possible.
- Potential for same day/next day payments.
- Option to overnight checks if electronic payment is not available.

To sign up for Bill Pay, log in to your Virtual Branch, then click the Bill Pay Tab and follow the instructions.
