Chairman's Report

As Chairman of the Board of Directors, one of my greatest honors is speaking directly to you—our members. As I prepared this message, I found myself reflecting not only on our past, but on the people who have shaped our journey and continue to define our future. From our humble beginnings under the stairs at the plant, to where we stand today, and toward the future we are building together, Champion Credit Union has always been about people first. While much has changed over the years—and more change will come—our purpose has never wavered: serving you with care, integrity, and heart.

At Champion Credit Union, what we do goes far beyond dollars and cents. Yes, we offer loans, competitive rates, and products to help you manage your finances—but what truly drives us is the real-life impact those services have on you and your family. Every loan approved, every savings goal reached, and every financial question answered represents a moment where we've had the privilege of walking alongside you. Whether it was helping you with your first car, covering school expenses, saving for a home, or making improvements to the place you love most, we are here because your needs matter deeply to us.

From birth to retirement and beyond, our commitment is to support you at every stage of life. We understand that life isn't always easy, and financial challenges can feel overwhelming. That's why we listen first, lead with compassion, and work tirelessly to provide guidance, stability, and solutions tailored to you. At Champion Credit Union, you are not just an account number or a transaction—you are family. We stand with you through life's uncertainties and proudly celebrate your milestones and successes.

Behind this commitment is your volunteer Board of Directors, who meet monthly to plan, oversee, and ensure the safety and soundness of your credit union. Each Board member serves with a shared passion for protecting your interests and strengthening the credit union for future generations. In addition to regular meetings, Board members contribute their time and expertise by serving on committees such as Education, Marketing, Nominating, Strategic Planning, Annual Meeting, Asset/Liability, CEO Compensation and Review, and Executive. The work of these committees helps guide decisions that are always made with your best interests at heart.

As we look ahead, one truth remains clear: our greatest asset is you. Every step we take, every plan we make, and every goal we set is rooted in our responsibility to serve our members well. Together, as owners and as a family, we will continue building strong, trusted relationships that share the Champion Credit Union spirit and ensure long-term success. Thank you for your loyalty, your trust, and for allowing us to be part of your financial journey. We are proud to serve you—today, tomorrow, and always.

Terry Benton, Chairman

Treasurer's Report

The credit union finished 2025 with 5,494 members, total loans were \$24,833,697, total shares were \$64,017,469, assets were \$72,495,906, net income was \$456,506, and net worth was \$7,956,505. Your credit union remains safe, sound, and secure. Our capital ratio (Net Worth to Assets) was 11.41%, which exceeds the amount required by regulation. For added protection, the National Credit Union Administration (NCUA), a U.S. Government Agency, insures your credit union shares to at least \$250,000.

Your credit union continues to offer very competitive loan rates. If you are thinking of making a purchase for a new house, new or new to you car, motorcycle, boat, or RV, please check with your credit union to see if we can help you with your financing needs. The credit union can also help with a home equity loan or a debt consolidation loan. Did you know you can apply for a loan online? Simply go to our website: www.ChampionCU.org and click on "Apply for a Loan", then click "Apply Now", and complete the requested information and follow the prompts. If you have any questions or if you would like to apply in person or via telephone, please contact any member of our lending services staff for more information or to apply for a loan.

We have several remote products and services including: Virtual Branch, A downloadable app (CCU App) featuring Remote Deposit Capture, Digital Wallets, and Card Management tools for both our CCU Platinum Rewards Visa Credit Cards and our MasterCard MasterMoney Debit Cards.

With our downloadable app you can now deposit checks into your account by simply taking a picture within the app and clicking deposit. Make a deposit anywhere at any time. Visit the Apple App Store or Google Play to download the app.

Fraud continues to be an ongoing issue. Your credit union considers security extremely important. To fight fraud, we need your help! We encourage each member with a credit card or debit card to review and monitor their transaction activity. To help you do this, we have Card Suite Lite available for your credit card transactions. Card Suite Lite can be downloaded from your phone's app store. You will be able to review transactions, set alerts, receive notifications when authorizations are made, and even turn off your account if you suspect fraud.

To help you monitor and manage your debit card, we integrated the debit card information into the CCU App. Once you register your debit card, you can view transactions as they post, turn your card on or off if lost or stolen, set alerts, view your balances, and more.

With Virtual Branch you can access your statements electronically with eStatements. You can pay bills online with our Bill Pay product. We have enhanced our Person-to-Person payments with Zelle. Members can now transfer funds in real time to anyone on the Zelle platform. In 2023, the credit union began to participate in a new instantaneous payment service offered by The Clearing House. This service offers credit union members the ability to receive "Real Time Payments".

Your credit union depends on you – "the member" and we are committed to providing you a full range of services while maintaining financial stability. We encourage you to utilize the products and services of your credit union and recommend your credit union to others.

For more information on any of our products or services please feel free to contact a credit union staff member.

Notes to Statement of Financial Condition December 31, 2025

Note 1: Nature of Business and Significant Accounting Policies

Nature of Operations: Champion Credit Union, Inc. was chartered in 1942. The Credit Union holds savings deposits and provides loans to employees and family members of Champion Spark Plug Company, as well as communities and select groups within Lucas County, Ohio, and surrounding areas. Select groups share a common bond of employment, association, or community. Membership is also extended to those individuals with household relationships to members.

Investments: The credit union follows an accounting standard which requires certain investment securities to be carried at fair value.

Loans to Members and Allowance for Loan Losses: Loans are stated at the amount of unpaid principal. Interest on member loans is recognized over the term of the loan and is calculated using the simple interest method on principal amounts outstanding.

The Allowance for Loan Losses is established through a Provision for Loan Losses charged to operational expenses. Loans are charged against the Allowance for Loan Losses when management believes that the collection of the principal is unlikely. The allowance is an amount that management believes will be adequate to absorb potential losses on existing loans that may become not collectible, based on evaluations of the ability to collect loans and prior loan loss experience.

Accrual of interest is discontinued on a loan based on a formula prescribed by the regulatory agencies.

Deposit in NCUSIF: Champion Credit Union, Inc. is required to maintain a deposit with the National Credit Union Share Insurance Fund based upon a formula prescribed by the National Credit Union Administration. The deposit may be adjusted on an annual basis. Earnings are not guaranteed and are contingent on fund management.

Depreciation: Property and equipment are stated at cost, less accumulated depreciation. Depreciation and amortization are accumulated on a straight-line basis over the estimated economic useful life of the related asset.

Members' Share (Savings) Accounts: Members' shares are subordinated to all other liabilities of the credit union upon liquidation. Interest on members' share (savings) accounts is based on available earnings at the end of an interest period and is not guaranteed by the credit union. Interest rates on members' share (savings) accounts are set by the Board of Directors, based on an evaluation of current and future market conditions.

Income Taxes: The credit union is exempt, by statute, from federal income taxes and state corporate business tax.

Note 2: Employee Benefits

The credit union provides employees with a wide range of employee benefits. A number of the programs, such as; Social Security, Medicare, Workers Compensation, and Unemployment Insurance cover all employees in the manner prescribed by law. Other employee benefits which are provided to eligible employees, include (but are not limited to); vacation benefits, personal or sick day benefits, holiday benefits, life insurance, long-term disability insurance, and retirement plans.

Retirement Plans: Champion Credit Union, Inc. has a money purchase defined benefit pension plan and 401(k) retirement plan covering all eligible employees. Employees become eligible upon reaching a certain age and working a minimum number of hours during the year. Employees become fully vested after five (5) years of service. Champion Credit Union contributes a percentage of employees' eligible compensation to the plan each year. Champion Credit Union established the defined benefit pension plan in September 1974 and a 401(k)-pension plan in January 1997. Both plans cover substantially all employees. In 2025, the 401(k)-employer match expense was \$24,171.01. In 2024, the 401(k)-employer match expense was \$19,763.21. The actual funding status of the defined benefit pension plan is reflected on the balance sheet as a net asset or liability. Previously unrecognized items are brought to the balance sheet as "Other Comprehensive Income", which is a component of equity.

Note 3: Members' Equity: Due to a regulatory change in 2022, the Statutory Reserve account was closed and moved into the Undivided Earnings account. Champion Credit Union, Inc. is subject to various regulatory capital requirements. To be considered "well capitalized" under the regulatory framework the Credit Union must maintain a minimum net worth ratio of 7.00% of assets. As of December 31, 2025, the Credit Union's net worth ratio was 11.41%.

Note 4: Commitments and Contingent Liabilities: The credit union grants lines of credit in the ordinary course of business to members who qualify. Outstanding unused lines of credit as of December 31, 2025, are as follows:

Overdraft Line of Credit Loans	\$ 294,563
Credit Card Loans	\$ 2,938,652
Home Equity Loans	\$ 2,743,874
Overdraft Protection Program Commitments	\$ 1,354,334
TOTAL	\$ 7,331,423

These amounts are not reflected on the Credit Union's financial statements.

Note 5: Related Party Transactions: As members of Champion Credit Union, Inc., certain employees and officials maintain share and loan accounts. All transactions on these accounts are done in the ordinary course of business and are done at normal and customary rates and terms.

Note 6: Business Combination: In October 2018, the credit union completed a merger with Toledo Postal Employees Credit Union. The business combination was by mutual agreement. The equity from that merger is included in Undivided Earnings but listed separately.

Supervisory Audit Committee Report

During the past year, the Supervisory Audit Committee performed periodic examinations of credit union records. The examinations consisted of a test of the accounting records and other office statements that were considered necessary.

It is the responsibility of the Supervisory Audit Committee to audit all functions of the credit union. In 2025, the Supervisory Audit Committee retained the services of William Arvo, CPA, to assist with the audit functions. The committee believes that by utilizing a Certified Public Accounting firm, which specializes in credit union audits, the Supervisory Audit Committee's responsibility has been fulfilled. The audit conducted by William Arvo, CPA was a year end audit, which included examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements at that time. The audit also included a positive individual shareholder account verification at the end of the fourth quarter of 2025 and an investment verification. An audit confirmation letter from William Arvo, CPA is included in this report for membership review.

Included within the annual report is a Statement of Financial Condition for December 31, 2024 and December 31, 2025, for membership review. The preparation of these financial statements are the responsibility of credit union management.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Champion Credit Union, Inc. and are in conformity with accounting principles generally accepted in the United States of America.

We have performed and completed an audit of the financial statements of Champion Credit Union, Inc. as of December 31, 2025 and 2024, and have issued the final report dated April 3, 2026. Our audit report on these financial statements reads as follows:

We have audited the accompanying financial statements of Champion Credit Union, Inc. which comprise the statements of financial condition as of December 31, 2025 and 2024, and the related statements of earnings, changes in members' equity, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the entity's internal controls. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall financial statements presentation. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Champion Credit Union, Inc. as of December 31, 2025 and 2024, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Please feel free to contact me by phone: 248-467-4879 or by email: barvo@financialstandardsgroup.com for any questions regarding my audit. I encourage questions and participation by the Board of Directors and Supervisory Committee.

Sincerely,

William Arvo, CPA
