

Champion Chatter

A special section for Champion Credit Union's young savers

You've waited all school year for it and it is finally here! Summer!!! We're halfway through the year and the CCU young savers are doing a great job saving. We love to see our young savers making deposits into their account so they can receive their bonus deposit in December. CCU young savers know it is really cool to save and watch their money grow. If you haven't joined the Young Savers Club yet, just ask any CCU staff member for details on joining. We would love to have you join the club! Keep cool this summer and keep saving in your Champion Credit Union Young Savers Club account. Don't forget to have your young savers card stamped each month so you can get your bonus deposit in December.
