Update Your Account

It is a challenging time when we lose a loved one. Help make things a little easier for those you leave behind by updating or adding a POD (payable on death) beneficiary to your account. It only takes a few moments to help ease the burden on those left behind. Contact any CCU staff member for assistance.

You Asked, We Listened...

We're making things easier—CardValet will soon be integrating into the CCU app!

That means no more switching between apps or remembering multiple logins. Soon, you'll be able to manage your debit card, set spending limits, receive real-time alerts, set travel exemptions, and turn your card on or off—all from the same app you already know and trust.

One app. Total control. Coming soon to your CCU experience.
