

A quarterly publication for members of Champion Credit Union, Inc.

September 2022

On Thursday, Oct. 20, credit unions in our community and worldwide will come together to celebrate International Credit Union Day® and the role that financial cooperatives play in improving the communities they serve and the lives of their members the world over. This year's theme is "Empower Your Financial Future with a Credit Union™." It speaks to how there are still 1.4 billion people across the globe who are unbanked, and how credit unions truly have the perfect business model to empower their financial future.

ICU Day 2022 is a celebration of the impact credit unions and other financial cooperatives have made—and continue to make for their members. It is also a chance to be thankful for the lives and communities that have been improved by our movement.

All credit unions share a common goal to offer access to affordable financial services to their members and provide even the most financially disadvantaged the tools and the opportunities to be financially self-sufficient. Making life choices and dreams a reality is the credit union difference that makes a real impact in our world.

This year we celebrate 74 years of International Credit Union Day®. We hope everyone will join us in celebrating the credit union difference, our proud cooperative heritage and the wonderful opportunities credit unions and other financial cooperatives offer members of the community every day.

THANK YOU CCU MEMBERS!
